**How are we ensuring the impact of the PE and Sports Premium is sustained beyond the 2019 – 2020 academic year?**

1. CPD to enhance quality first teaching in delivering the PE curriculum – continued focus area
2. Support staff training to enhance physical activity during break and lunch times
3. By establishing a whole school ethos and expectation that all pupils are involved in regular physical activity inside and outside of school
4. By raising the profile of sport through in intra-school events we aim to motivate and inspire children to live active and healthy lives
5. By ensuring all children have access to age-specific equipment throughout their life at school to support and challenge all levels
6. By encouraging children to take an active role in leading an area of physical activity in their own classes. Empowering children to step forward.
