

Welcome to Class 5!

Your child's teacher is: Mr Grinham

It has been a very successful and settled first few days in Class 5 and all of the children have shown a fantastic attitude to their learning. It has been lovely getting to know each and every member of the class and it is an exciting and happy place to be. In Class 5, we set high expectations and the children have been positive in understanding their responsibilities that come with being role models for the other children. Thank you for such a positive start. It goes without saying that they are very enthusiastic about the forthcoming residential and all of the exciting activities and experiences.

Class 5

PE Days:

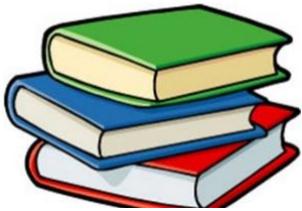

Tuesday and

Thursday

Fellowship Courage Creativity

Our Topic this term:
Magical Mexico

Welcome Letter

Useful Information

English homework: This will be set every Friday to be returned the following Friday. After returning from PGL, we will begin to unpick and learn the Year 6 expectations for spelling, punctuation and grammar and these skills will be practised as homework.

Maths homework: This will be set every Friday to be returned the following Friday. The homework will be in three sections: a section on recapping a skill, a section on the rule of four operations and a section on learning from the week.

Reading: Your child has chosen their first book to borrow and it has been fantastic to see so many of the children choosing books which have been specifically hand-picked by me to help develop reading skills. I will be speaking to the children daily about their books and checking Reading Records regularly.

If you have any concerns then please contact me through your child's Reading Record, speak to me on the playground or make an appointment through the school office.
